

**Western Gulf of Mexico
Oil and Gas Lease Sale No. 210 August 19, 2009**

**Supplement to Gulf of Mexico Newsletter, Gulf of Mexico Wells Weekly,
Offshore Rig Monthly, The Atlantis Deepwater Report and The Offshore
International Newsletter**

Copyright © 2009 ODS-Petrodata

The listing of sale results in this supplement is presented alphabetically by operator. The data also is available in MS Excel format for \$100. The Excel file contains the estimated water depth information included in this printed version, which is not provided by the MMS. We also have available the entire inventory of federal Gulf of Mexico leases in their primary term along with their current drilled status. For additional information and prices, contact us at the address below, or e-mail research@ods-petrodata.com.

Statistical Review

Total acres offered..... 18,393,356.923
Total acres receiving bids 924,486.540
Total blocks receiving bids..... 162
Total number of bids 189
Total money exposed \$145,186,365
Total of high bids \$115,466,321
Average of high bids \$712,755
Highest bid..... \$28,133,843
 BP – Keathley Canyon Block 96
Number of lead bidders placing high bids 23
Total companies participating in high bids 24
Total companies participating in sale..... 27

Lead bidder with most apparent high bids:
BP - 37 bids - total: \$50,634,191
Bidder submitting highest dollar amount in high bids:
BP - 37 bids - total: \$50,634,191

Water depth summary:

Water depth	Blocks w/Bids	Total High Bids	Lease Term
0-199 m	34	\$10,140,259	5 years
200-399 m	0	\$0	5 years
400-799 m	8	\$7,456,977	8 years
800-1,599 m	94	\$86,225,383	10 years
1,600 m+	26	\$11,643,702	10 years

Companies With Apparent High Bids

Lease awards are subject to final Minerals Management Service (MMS) approval. Assignment of lead bidders is based on best available information, but is not definitive as this information is not provided by the MMS. (Parenthesis indicate blocks won where company is not considered the lead bidder.) Operatorship may differ when exploration activities begin.
